

Typical Basic Training time requirements:
Category A1(Line Mechanic)

Module	Timings	
	Theory (hours)	Practical (hours)
Module 01 – Mathematics	30	0
Module 02 – Physics	30	0
Module 03 – Electrical Fundamentals	18	12
Module 05 – Digital Techniques	10	8
Module 06 – Materials and Hardware	20	22
Module 07 – Maintenance Practices	53	180
Module 08 – Aerodynamics	15	5
Module 09 – Human Factors	18	0
Module 10 – Air Legislation	18	0
Module 11a – Aeroplane Aerodynamics/Structures & Control	43	40
Module 15 – Gas Turbine Engines	35	28
Module 17 – Propellers	12	6
Total	302	301
Percentage	50%	50%*
Live Aircraft Experience	0	300

*The percentage is calculated excluding 300 hr. live aircraft experience.
